## IAMWMW SISTERHOOD LETTER OF APPEAL

Subject: A Call to Compassion Supporting Our Sister Christine Lightbourne

Dear Sisters and Friends,

With tender hearts and deep concern, we come before our Sisterhood family to lift up Sister Christine Lightbourne (Bahamas) during an unimaginable season of loss.

Sister Lightbourne has recently suffered the devastating loss of her home due to a fire everything was destroyed. As if this tragedy were not enough, she is currently in Intensive Care and is scheduled to undergo surgery on Tuesday. She was also recently widowed.

Our sister needs us.

As women of faith and compassion, we know that when one of us hurts, we all feel the impact. This is a sacred opportunity for us to extend love beyond words and demonstrate the strength of IAMWMW sisterhood through action.

We are prayerfully asking each lady to consider making a donation no gift is too small. Every contribution will help provide immediate assistance for medical, housing, and essential needs during this critical time.
