CALL FOR IN-HOUSE TALENT
85th Annual Convention – Awards Gala
Lights & Legends: A Grand Cabaret Awards Gala
Las Vegas, Nevada

Dear IAMWMW Members,

As we prepare to celebrate 85 years of faith, service, and legacy, the Awards Gala Committee invites members of the International Association of Ministers' Wives & Ministers' Widows, Inc. to be considered for in-house talent participation during our formal Awards Gala.

This elegant evening will honor our legacy, recognize distinguished service, and provide an uplifting, faith-centered atmosphere. Members are invited to share their God-given gifts in a manner that is dignified and appropriate for a Christian awards celebration.

Expressions of talent may include:

- Vocal selections (solo, duet, or small group)
- Instrumental music
- Spoken word, poetry, or dramatic readings
- Dance or other artistic expressions suitable for a Christian awards celebration

Participants do not need to be professional performers. Many who share in our program are choir members, ministry leaders, or individuals who desire to offer their gift in service and celebration.

Members interested in being considered are asked to submit basic information regarding their proposed presentation by the deadline listed below. Selected participants will receive additional guidance prior to the convention.

Submission Deadline: March 15, 2026

Respectfully,

Lady Anita L. Barnes
