

# **Good Morning my beloved Sisters,**

a blessed and spirit filled Sunday to you. I am aware that many of you are facing snow storms and frigid temperatures. I pray that you remain safe and warm, free from accidents and any viruses or illnesses. Remember that our God is a keeper, and his covering over you is love. Sending you warm hugs and a little sunshine from the Bahamas.

With Love,  
Elder Dr. Vernita Josey  
International President
