

*Greetings My Sisters,*

*I hope all is well with you and your family and friends. Hopefully, we are coming to the other side of the global pandemic. Throughout this unprecedented time, we have persevered through faith.*

*Part I of our Virtual 80<sup>th</sup> Convention is just around the corner. During this session, the Education Department will present a Seminar on Tuesday, June 29, 2021 at 5:00 PM (EST). I am hoping that all of you will attend. As you know our own 6<sup>th</sup> International President, Dr. Celeste Ashe-Johnson, will be the facilitator and you can count on being blessed and enriched.*

*This seminar is open to the public so feel free to invite others. Our students will receive one class credit for attending this session and if they attended the November session also; they will receive credit for one entire module towards graduation. (We have attendance records!)*

*Part II of our 80<sup>th</sup> convention will be an In-Person Gathering and Founder's Day in Richmond, Virginia on Dec 1 - 4, 2021.*

*As we continue to look to the future in faith, we must claim the success of the 81<sup>st</sup> convention to be held in Seattle, Washington in June 2022. Be prepared to teach your classes and to participate in graduation. All of you will have new class participants, and we will all be rejoicing to be together again.*

*Our God has blessed our International President to lead us in carrying out our mission and as well as accomplishing all of our goals and objectives in spite of the pandemic. Let us continue to pray for her strength in the Lord.*

*Let us hold on firmly to the hope we profess,  
because we can trust God to keep his promise.  
Heb.10:23 (GNV)*

*Yours sincerely,  
Quentina M. Kinney  
Dean*
